and rural)

**RE**Connecting  
LINCOLNSHIRE

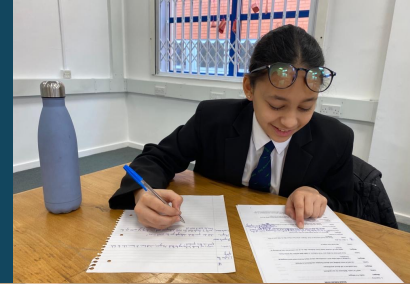

# Empowering Voices

Making visible/audible diversity  
*within* worldviews

Podcast: narrative, 'in conversation',  
soundscape

Education pack

Voices of young people are the key  
driver

# Outputs and Impact

Podcasts 1 and 2 due to be released in September 2022

Initial evaluation positive

Thanks to Culham!

Pupils' understanding of diversity within worldviews has broadened and they are less likely to talk about worldviews using generalisations or stereotypes

"[My class] learnt to accept others and be empathetic to others in their situations"

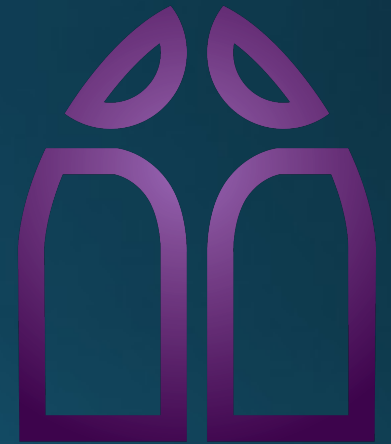

85% of pupils felt they gained something positive from the research element

Using drama/narrative has made pupils feel more comfortable engaging with unfamiliar worldviews
