Welcome to Culham St Gabriel's Trust

We are an endowed charitable foundation. The Trust is committed to providing teachers of religion and worldviews and other professionals with the support, connections, challenges and professional development they need. We want all partners, such as parents, school governors, faith/belief communities and policy makers, to be positively aware of the benefits of a high-quality study of religion and worldviews.

CULHAM ST GABRIEL'S ACTIVITIES

www.cstg.org.uk

- **E Learning Platform**

We offer a range of free online courses for teachers and other stakeholders engaged in educating in religion and worldviews. Course themes include curriculum, subject knowledge, and research.

<https://courses.cstg.org.uk/>

- **Events**

We provide regular free online seminars with researchers through our 'in conversation' events, as well as other professional development opportunities. We host RExChange, a biennial conference bringing researchers and classroom practitioners together.

<https://www.cstg.org.uk/activities/events/>

- **Campaigns**

We provide promotional materials for stakeholders to use in advocacy and work with our partners to lobby for the importance of an education in religion and worldviews with government. We actively campaign for freedom of religion or belief (FoRB), teacher recruitment and for a funded National Plan for the subject.
