

Equity and justice for all pupils:

Time to establish high quality Religious Education in all schools taught by well qualified and trained teachers.

Enhance...

Teacher recruitment and retention through funded subject knowledge enhancement courses (SKEs) and an increased bursary.

Empower...

Teachers through Initial Teacher Training (ITT) and continuing professional development to support those teaching in schools.

Establish...

Equity for all pupils through a statutory national benchmark for the subject building on the REC's National Content Standard for RE.

Ensure...

All pupils are taught RE, preparing them for life in a diverse modern Britain and the world.

What can I do?

Make an appointment to meet serving teachers of Religious Education at the party conference (Heathrow Lounge)

You will receive...

- a detailed set of data on RE provision in your area.
- an update on the challenges facing RE.
- a briefing on opportunities to improve RE through the Curriculum and Assessment Review.

Could you...

- Tell us if you are prepared to facilitate the asking of parliamentary questions.
- Support a request for a Westminster Hall Debate on RE.
- Contact a minister to ask what is being done to address the shortage of RE teachers.
- Contact us: chair@natre.org.uk
