

# Did you start or are you planning to start secondary RE teacher training in September 2025 or 26?

Are you **struggling to fund** your training?

If you are **undertaking teacher training in secondary religious education from September 2025** you may be able to **apply for some cost-of-living support**. Most of these Trusts award small grants of between **£500 and £4000** depending on need. Some Trusts have conditions for awards such as living in a certain area of the country.

## All Saints Educational Trust
